Dear Parents/Guardians,

Our school is dedicated to helping students succeed. We have high expectations for our students in line with federal No Child Left Behind Act (NCLB) standards.

Our school is a:

Title I School       Non-Title I School

Recently, the Hawaii Department of Education (Department) released a report on the "adequate yearly progress" (AYP) that schools are making toward achieving proficiency for all students under NCLB. The Department also places schools in a specific "NCLB status" category depending on how many years each school has made or not made progress. Based on the most recent report from the Department, our school is in the following NCLB status category for School Year 2011-12:

- School Improvement Year 1
- School Improvement Year 2
- Corrective Action
- Planning For Restructuring
- Restructuring

We are committed to achieving our goal of success for every student. For more about AYP, what we are doing to help students achieve, and what we can offer you and your child, please see the questions and answers on the following pages.
